ST. NICHOLAS DAY CELEBRATIONS

Monday, December 5, 6 p.m.

St. Nicholas is celebrated in many European countries as separate from Christmas. The tradition typically begins two weeks prior to St. Nicholas Day, which takes place on December 6th. The Lowe's Toronto Christmas Market invites children to take part in a special celebration on the eve of St. Nicholas Day.

SAINT LUCIA DAY CELEBRATIONS

Wednesday, December 14, 6 p.m.

The Swedish tradition of Saint Lucia, marks the beginning of the Christmas season and symbolizes the return of lighter days. Sankta Lucia is a shining angel illuminating the way to the Christmas season. The tradition is marked by a procession of children lead by Saint Lucia, a girl dressed in a long white gown with a red sash and a crown of candles followed by the performance of traditional Christmas songs. Please join us at our main stage for this very special Swedish celebration on Wednesday, December 14th at 6 pm. Presented by the Swedish School of Halton.
